

MEMBER POLICY #25

SUBJECT: HOW TO MANAGE YOUR PREPAID ACCOUNT

1. NO DEPOSIT WILL BE REQUIRED.
2. All Prepay locations are required to have collar meters installed.
3. Members are required to pay an initial minimum balance of \$50.00 to start using the Prepay service.
 - a. If transferring from conventional billing to prepay, all past due balances will need to be paid in full before switching over.
 - b. If you have an uncollectible debt upon using the prepay service, you will be required to pay the debt in full before switching over.
4. There will be a default low balance threshold set when the prepay account is established. Each member has the option to go into their account and adjust the threshold balance so that if the account balance drops below the designated amount, you will receive an alert/reminder.
5. Member will be responsible for keeping your telephone number and / or email address up to date in order to receive reminders and alerts concerning your account.
6. Alerts and reminders will go out daily to keep you informed of your balance and usage. If at any time you choose not to receive these reminders and/or alerts, you can adjust your settings on your account. We strongly suggest that you have either a smart phone or access to the web so that you can maintain your account settings.
7. Once your account reaches a negative balance, your power will be disconnected. If disconnected, you will be required to bring your account back to a positive status and have a minimum of a \$50.00 credit on your account. The maximum credit allowed on your account should equal to no more than two months average billing. If your credit exceeds this average, your account could be removed from prepay.
8. You will be receiving alerts and reminders via text message and/or email. We will require your signature as consent to receive text messages, automated calls and/or emails regarding your electrical account with Bowie Cass Electric.

Note: BCEC can offer prepay (collar or disconnect meter) to any 120-240 volt single phase service that has a 200 amp capacity or less. Services that do not qualify are as follows: 1. 3 phase services 2. Services that have a capacity > 200 amps, i.e. 320 amp or 400 amp services 3. CT metered services. 4. 120 volt (2-wire) services

Member Name: _____ Account Number: _____

MSR: _____ Meter Number: _____

ACKNOWLEDGEMENT /AGREEMENT

I agree to settle any outstanding debt that I owe to BCEC either by paying the balance in full before entering the prepay service. If at any time I decide to be removed from Prepay and go to conventional billing, I agree to pay any outstanding debt in full before the switch is made.

I understand that all payments made to prepay account will be done by one of the automated platforms provided (website, IVR and/or smart phone application). **Payments over the phone to a member service representative will not be accepted.**

EACH ACCOUNT SET ON PREPAY WILL HAVE A 12 MONTH COMMITMENT.
